

Kärcher MC50 Professional

General features

Brand	Kärcher
Subcategory	Road sweeper
Construction year	2012
Hourmeter reading	1477
Color	Black
Condition	Used
General condition	Good
Fuel	Diesel
Emission class	stage_5
Reference	Kärcher

Characteristics

GVW	1.750kg
Length	296cm
Width	105cm
Serial number	WK3442202CF210325

Kärcher MC50 Professional

Technical specifications

Engine output 19kw

Description

Data; Brand: Kärcher Type: MC50 Transmission: Hydrostatic Diesel - 4 stroke engine - Yanmar 19,2 kW Year of construction: 2012 Chassis number: WK3442202CF210325 Driving speed max. 20km/h Working speed max. 10km/h Options; Equipped with 3rd brush Water spray Hydrostatic drive Rotating beacon Lighting Work lights Radio CD player 500 litre tank Operating hour counter for sweeping Comfortable seat Heating and air conditioning Heating Extraction Adjustable speed for the side brushes Drive indicator - forward Drive indicator - backward Coarse dirt flap Hydraulic high emptying Dirt tank Panoramic cabin with safety glass and two rear-view mirrors Rotating beacon Dust binding on the side brushes and in the suction channel with water spray system Left door Reversing device for rotation direction of side brushes Use all year round For outdoor use
